Office of the President, District Board,

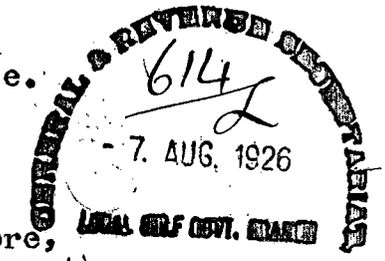
Mysore District,

Dated, Mysore, the 31st July 1926.

Sw August 26

From

A. V. Ramanathan, Esq., B.A.,
President, District Board of Mysore,
M y s o r e.



To

B. Nagappa, Esq., Bar-At-Law,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Local and Legislative Departments,
Bangalore.

Sir,

L83.47-26 Edn I

I have the honour to state that a lumpsum provision of Rs.8000 has been provided in the Budget Estimates of the District Board of Mysore for the year 1926-27 under "E.Miscellaneous:Economic Work". Out of this amount, a sum of Rs.3000 has been set apart for the development of Sericultural industry.

2. In the matter of rural instruction in Sericulture, the resolution of the District Board to the formation of Sericultural Farms at -- Malavalli and Kuderu has been sanctioned in Government Order No.443-5/L.B.77-25-4 dated 20-7-26, the farms coming under the scheme for the introduction of sericulture as an examination subject in the middle schools at the above places.

3. According to the instructions of the Inspector General of Education, the Sericultural teacher should be nominated by the Department and appointed by the District Inspector. He will be subordinate to the Head Master of the school and is subject to all Departmental control. The Sericultural Course will last for three years, commencing in the second year Middle School Class. The allotment for the Sericultural Teacher's pay will have to be transferred to the Education Department. The garden and the rearing room will be provided by the Sericultural Department at the cost of the District Board.

4. The proposals received from the Sericultural Superintendent in respect of the above and other matters were placed before the District

Board at their meeting held on the 17th July 26. The Board resolved that a sum of Rs.80[illegible] be placed at the disposal of the Inspector General of Education for meeting pay of the two teachers and granting rural scholarships at Rs.100 for each school.

A. It was further resolved that a sum of Rs.480 might be placed at the disposal of the Superintendent of Sericulture to meet the cost of garden and rearing room.

6. In submitting herewith an extract from the proceedings of the District Board together with a copy of letter No.4512 dated the 23rd June 26 from the Sericultural Superintendent, I request that early orders of the Government may be kindly obtained to the resolution of the Board, the cost being met from the provision of Rs.3000 made for the Sericultural Development work in the current year's District Board Budget.

I have the honour to be,

Sir,

Your most obedient servant,

President,

District Board of Mysore.

NOTE—Contn. Sheet

Letter No.4512 dated 23rd June 26 from the Superintendent of Sericulture in Mysore, to the President, District Board, Mysore.

Subject and Refernce:- Sericultural Classes at Kuderu and Malavalli.

In continuation of my letter No.3807 dated 5-5-26, I have the honour to state that I propose to atart the Sericultural Classes at Kuderu and Malavalli in July 1926.

I have discussed the lines on which these classes have to be w worked with the Inspector General of Education and the District Inspector of Education. We are agreed on the following points:-

i. A start will be made at Malavalli and Kuderu.

ii. The garden and rearing room will be provided by the Sericultural Department(from funds to be provided by the District Board).

iii. The Sericultural teacher will be nominated by the Sericultural Department and appointed by the District Inspector and will be subordinate to the Head Master of the school and will in all matter be subject to departmental control.

iv. The allotment for the sericultural Teacher's pay will have to be transferred to the Education Department.

v. The officers of the Sericultural Department will inspect the technical side of the work and the Educational Department will see that technical instructions are enforced.

vi. The Sericultural course will be one of three years as in the case of other optional subjects and will commence in the 2nd year middle class.

Kuderu- ½ acre of land near the well on school grounds and a room have been placed at my disposal. Work will be started with funds kindly placed at the Sericultural Department's disposal by the District Board.

Malavalli- 1 acre of land has been kindly given by the Deputy Commissioner. The District Board has kindly given an advance for forming a mulberry garden, and the use of a room in the Coronation Hall has been promised. The garden will be started presently.

The District Inspector has kindly promised to get a model time table prepared providing 4 periods a week during class hours and 2 periods in the morning for practical rearing and garden work.

The enable work to be started on these lines from 1st July next, I request you to be so good as to place Rs.600 at the disposal of the Inspector General of Education on account of the pay of two teachers- one at Malavalli and the other at Kuderu- at Rs.25 each. As the scheme includes lectures in addition to practical instructions, men who have some general education and ability in addition to technical experience will have to be posted. To send inferior men whould be bad for the boys and unfair to the scheme.

Please authorise me to employ a cooly at a cost of Rs.15 per mensem and to incur rearing room, contingent expenditure not exceeding Rs.5/; per mensem at each of three places. In case any extra expenditure is necessary for purchase of manure, or such non-routine operations as digging etc. estimates will be furnished and sanction requested in due course.

Proceedings of the District Board of Mysore passed at their Meeting held at 1 p. m. on Saturday the 17th July 1926

A. EX-OFFICIO MEMBERS.

To

B. Nagappa, Esq., Bar-at-Law,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Local and Legislative Departments.

SIR.

File obtained from D. Branch on 27/9/26

With reference to your letter No.I.1388-I.B.47-26-44 dated 24th August 1926, forwarding for my opinion a copy of letter No.C.125 of 25-26 from the President, District Board, Mysore in regard to the opening of Sericultural classes at Malvalli and Kuderu, I have the honor to state that I am agreeable to the proposal of the District Board provided the conditions necessary for the efficient and satisfactory working of these classes are agreed to by the Board. These conditions have been set forth in detail in my letter No.H.C.52 of 19-3-1926 copy of which is enclosed. From the terms of the President's letter to you, it would appear that the District Board is agreeable to the suggestions contained in my letter.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General.

For all administrative purposes, the teacher will be treated as a member of the school staff, the allotment for his pay etc., being transferred to the Education Department. But the officer of the Sericultural Department will inspect the technical side of his work, and give necessary directions in respect of technical matters and the officer of the Education Department will see that such directions are carried out. The District Inspector of Education, Mysore has been instructed to work out further details in consultation with the Superintendent of Sericulture or any other officer deputed by him for the purpose.

6 The proposal to institute Sericultural Scholarships in connection with the schools is also a very desirable one. I would suggest five scholarships of Rs.2 each for 10 months being instituted for each school. The funds for these scholarships also will have to be transferred to the Education Department for being administered by the District Inspector.

"C o p y"

For Inspector General.

Proceedings of the Govt. of His Highness the Maharaja of Mysore.

Read :-

G.O.No.L.443-5/L.B.77-25-4 dated 20th July 1926 sanctioning the resolution of the District Board, Mysore, in the matter of the formation of Sericultural Farms at Malavalli and Kuderu in the District.

2. Letter No.C.125/L.B. dated 5th August 1926 from the President, District Board, Mysore, regarding the starting of Sericultural classes in connection with the Middle Schools at Malavalli and Kuderu.

3. Correspondence ending with letter No. H.C.52 dated 3rd September 1926 from the Inspector General of Education stating that he is agreeable to the proposals of the District Board provided that the conditions necessary for the efficient and satisfactory management of the classes as set forth in detail in his letter No.H.C.52 of 19th March 1926 to the President, Mysore District Board are agreed to by the Board who seem to have done so.

Order No.L.4251-4/3247-26-42

Dated, Bangalore, the 7th Jan 27

In connection with the development of Sericulture, the Superintendent of Sericulture had proposed to the President, District Board, Mysore with his letter No.4572 dated 23rd June 1926 that a start in regard to the opening of Sericultural

classmay be made in connection with the middle schools at Malavalli and Kuderu - and he accordingly sent the following - proposals to them for consideration :-

(1) that the garden and rearing room - would be provided by the Sericultural Department from funds to be provided by the District Board.

(2) that the Sericultural teacher whose pay will have to be transferred to the Education Department would be nominated by the Sericultural Department, would be appointed by the District Inspector - and would be subordinate to the Head Master of the Middle school and be - subject in all respects to Departmental control ;

and (3) that the course would be one of 3 years as in the case of other optional subjects and will commence in the 2nd year Middle class.

The Inspector General of Education who was consulted in the matter has stated - that though the introduction of Sericulture into the general scheme of Education is not without its difficulties a start in this direction may be made in connection with the above 2 schools in view of the importance of the subject, that for all administrative purposes the teacher of each of the schools will be treated as a member of the school staff. the allotment for his pay, etc., being transferred to the Education Department but the officer of the Sericultural Department will inspec

the technical side of his work and give necessary directions in respect of technical matters and the officer of the Education - Department will see that such directions are carried out..

The Inspector General of Education has also stated that the proposal of the Board to institute Sericultural scholarships in connection with the shools is also a very desirable one. He has therefore suggested that 5 scholarships of Rs.2 each for 10 months be instituted for each school, the funds for these scholarships also being transferred - to the Education Department for being administered by the District Inspector.

The above proposals received from the Sericultural Department and the Inspector General of Education have been approved by the District Board who have also resolved that a sum of Rs.800 may be placed at the disposal of the Inspector General of - Education for meeting the pay of the two teachers and granting rural scholarships at Rs.100 for each school; and that a sum of Rs.480 may be placed at the disposal of the Superintendent of Sericulture to meet the cost of the garden and rearing room and the cost of the scheme be met from the provision of Rs.3000 made for the Sericultural Development work in the District Board's budget for 1926-27.

In these circumstances Government are pleased

18

pleased to sanction the proposals of the District Board referred to above.
